

NextGenChem@NL 2014

Networking symposium for young group leaders in Chemistry

The NextGenChem@NL 2014 symposium aims to bring together the future group leaders in chemistry. For the first time in the Netherlands, we are organizing a meeting specifically targeted to young faculty (assistant professors, tenure trackers, VENI laureates).

Who should attend?

Assistant professors, tenure trackers, VENI laureates in the field of chemistry, including (but not limited to):

- Supramolecular Chemistry
- Chemical Biology
- Bio-Organic Chemistry
- Soft Matter
- Organic Chemistry
- Physical Organic Chemistry
- Polymer Chemistry
- Catalysis
- Systems Chemistry

When and Where?

The NextGenChem@NL 2014 will take place in Eindhoven on 9-10 October 2014.

How to register?

Go to <http://fmsresearch.nl/nextgenchem2014/> and register before 26 June 2014. Registration is free and includes attendance, meals (lunches and dinner), and drinks.
