

Supramolecular Chemistry Course 2017, Groningen session

"SUPRAMOLECULAR SYSTEMS"

Thursday 22nd of June and Friday 23rd of June, Groningen, The Netherlands
Venue: Zernike Campus, Bernoulliborg, Nijenborgh 9, 9747 AG Groningen

Program

Thursday 22nd of June (Bernoulliborg room 5161.0105)

- 10.30 Welcome and Coffee
- 10.55 Opening: Sander Wezenberg
- 11.00 Ben Feringa
"Molecular switches and motors"
- 12.45 Lunch
- 13.45 Gerard Roelfes
"Supramolecular hybrid catalysis"
- 15.30 Coffee Break
- 15.45 Sijbren Otto
"Dynamic combinatorial chemistry"
- 18.00 Dinner

Friday 23rd of June (Bernoulliborg room 5161.0253)

- 9.00 Wesley Browne
"Electrochemistry in supramolecular chemistry"
- 10.45 Coffee Break
- 11.15 Marc Stuart
"Cryo-electron microscopy of soft matter; seeing is believing"
- 12.30 Lunch
- 13.30 Sander Wezenberg
"Supramolecular chirality transfer and memory"
- 15.15 Closure and Departure
