

**Supramolecular Chemistry Course 2017, Twente session**  
***“Bio-inspired supramolecular systems”***

*June 8-9, Enschede, The Netherlands*

*Venue: Conferentiehôtel Drienerburght, Drienerlolaan 5, 7522 NB, Enschede*

**Program**

*Thursday 8<sup>th</sup> of June (Conferentiehôtel Drienerburght)*

- 10.30** Welcome and Coffee
- 10.55** Opening: Tibor Kudernac
- 11.00** Jurriaan Huskens  
*“Multivalency at interfaces in artificial and biological systems”*
- 12.45** Lunch
- 13.45** Hans Elemans  
*“Supramolecular Chemistry on Surfaces”*
- 15.30** Coffee Break
- 15.45** Bart Jan Ravoo  
*“Responsive soft materials based on cyclodextrins”*
- 17.45** Drinks and dinner at the Foyer Waaier
- 19.30** Evening Lecture: Jeroen Cornelissen  
*“Chemical Virology: biomolecular assembly at different length-scales”*

*Friday 9<sup>th</sup> of June (Conferentiehôtel Drienerburght)*

- 9.00** Nathalie Katsonis  
*“Collective behavior of molecules in liquid crystals”*
- 10.45** Coffee Break
- 11.15** Joost Reek  
*tba*
- 13.00** Lunch
- 14.00** Tibor Kudernac  
*“Supramolecular machines”*
- 15.45** Closure and Departure
