

medCHEMbio2020

**A joint future for Medicinal Chemistry
and Chemical Biology in the Netherlands**

23 and 24 March 2020

Auditorium, TU Eindhoven

Confirmed speakers:

Ben Feringa (RUG)
Matt Bogyo (Stanford)
Gonçalo Bernardes (Cambridge)
Stefan Knapp (Frankfurt)
Herman van Vlijmen (J&J)
Amadeu Llebaria (Barcelona)
Christian Hackenberger (FMP Berlin)
Rob Leurs (VU)

Themes:

G-protein coupled receptors
Protein-protein interactions
Activity-based protein profiling
Carbohydrates/glycans
Cellular chemistry
Bioorthogonal and bioconjugation chemistry
Fragment-based drug design
Photopharmacology
